Dear Satnam ji,

The Corona pandemic has affected a large number of people across the world. Almost all the States of our country are affected.

The Government of West Bengal has taken a large number of steps to combat the situation and stand beside the people.

I have come to know from your letter that Gurudwara Behala Kolkata & IHA Foundation are helping the people at this hour of need by providing free food to them. I have learnt that till date they have served over 4 lakh meals.

I am extremely grateful for their spontaneous gesture and on behalf of the State Government, I would like to convey my deepest gratitude and sincere thanks to them.

Stay well, stay healthy.

With regards,

Yours sincerely,

  
(Mamata Banerjee)
